Fruehauf's Patio and
Garden, Inc.

Furniture by o.t.w. **lee** co.

My goals and Outdura's goals are very similar; in fact we share our #1 goal ... our customers' satisfaction. With Outdura, my customers can have it all, great colors, and so many patterns and styles ... wow! They also get all the performance features that come with fabric made from solution dyed acrylic fiber. It's sun-fade, rot, stain and mildew resistant and if they get it really dirty, I tell them, no problem, it's bleach cleanable without loss of color. I also like telling them about Outdura's industry best five year limited warranty, and that makes them feel pretty good too!
