

We're known by the company we keep

Some of the most prestigious boat manufacturers choose and use Outdura® high-performance fabric. Because it is premium 100 percent solution-dyed woven acrylic, Outdura resists fading, stains, mildew and moisture. So, you might worry about catching enough fish for dinner, but you never need to worry about dependable Outdura fabric. Look for the Outdura label. If you don't see it, ask for it.
