

Stylish Jacquards. UV Protection.

A Good Reflection on You.

Until Shuford Mills introduced its line of 8-ounce Outdura® fabrics, you had to choose between great-looking and great-wearing covers for casual furniture. Now, Shuford's weather-ready Outdura is available in fashionable, durable jacquards that are 100 percent solution-dyed acrylic to resist soil, stain and UV rays. Pair jacquards with furniture-weight solids and new coordinating stripes, and you'll enter a new dimension in performance fabrics. Choose Outdura. It reflects well on you.
